

Big Bad Beers at the Boston Winter Jubilee

Every year, beer lovers and beer brewers gather around in The Castle where the annual Boston Winter Jubilee is held. But let's get something straight here - you won't find your conventional beer at the Boston Winter Jubilee because the minimum percentage of alcohol for the beers here is set at 7%. Anything less is kid's stuff. Every year, beer brewers make their way all the way from their home countries like Canada, England, Belgium, Germany, France and other parts of the US come drink and showcase to their hearts' content. During this event, attendees can have a ball while the beer brewers make lots of connection, brand their beers, market their promotions and keep the public informed about the growth of their business, showcase not only their beers but promote their side products and also, perhaps, gather information and feedback from beer lovers too.

Big is the rule of the game so many beer lovers and beer brewers will showcase their big beers at the Boston Winter Jubilee brew-haha. Suffice to say, the Boston Winter Jubilee is the only show of its kind where you'll get loads of beer, whole night of music, socializing and business-partnering all throughout the night. The Boston Winter Jubilee is open to members of Beer Summit so, if you're keen on experiencing this fanfare for yourself, head on over to beersummit.com and get yourself a membership which will lead on to a ticket to the Boston Winter Jubilee. Once you're done with signing up for a membership and purchasing your ticket, you can confirm it later on and collect the ticket to the Boston Winter Jubilee when you get there.

Because the Boston Winter Jubilee is the kind of event that is a crowd magnet, you're hereby warned that traffic is going to be nothing short of being horrendous! The best favor you can do for yourself is to get there via chartered transportation. If your group is big, you might want to consider booking a charter bus for this event. Parking is a big headache every year because although the crowd is large the parking spaces available at the Castle Park Plaza are limited. Every year, the parking bays at The Castle are packed to the brim with cars and buses of visitors who are attending the event. Considering the high level of consumption of alcohol during this event, we strongly advice you against driving there on your own. Hiring chauffeured transportation is advisable.

Every year, more and more people attend the Boston Winter Jubilee and for 2007, beer brewers like Berkshire Brewing, Boston Beer, Brooklyn Brewery, Newport Storm, Offshore Ale, Opa Opa Steak, Stone Coast, The Tap, Long Trail, Merchant du Vin, Mercury, Boulder Beer Cambridge Brewing, Dogfish Head, Otter Creek, Spaten NA, Star Brands, Lefthand, Unibroue & Vanberg DeWulf, Gardner Ale House, Ithaca, and Harpoon are all going to be there! As you can see, this is not going to be a small event.
